Pennsylvania

Purchase Admission Tickets

Your conference ticket entitles you to admission to all the Saturday conference activities including lunch and coffee in the breakout sessions. Fair Districts PA is a grass roots, non-profit, volunteer organization. We subsidize the half-price tickets so that anyone can attend.

Your ticket price is not a donation, it helps pay the costs of venue

rental, food, and conference supplies.

Thank you for participating in the work of Reclaiming our Democracy!

Select Your Tickets
